Re: Invitation to BioFach sponsor event

Dear supporter of IFOAM EU Group,

Registered in Sweden, Uppsala
under organisation number
817606-9436

over recent years, the activities and programmes of the IFOAM EU Group have been supported by a wide range of sponsors throughout Europe. We are sincerely grateful to all of our sponsors; without this support we could not have met our objectives and achieved success.

We hope to count on the continued support and cooperation of our sponsors in the future.

The IFOAM EU Group would like to invite you to a session at BioFach 2010:

**‘A win-win-win partnership:
IFOAM EU Group, our financial supporters and
the further development of organic food and farming’.**

When: BioFach, Thursday, February 18, 9-10 am

Where: Room 1.1, Hall 1, Service 1, First floor

The objective of the session is to present the work that the IFOAM EU Group undertakes in Brussels and Europe and to demonstrate the important role that our sponsors have played and will continue to play in our common pursuit of the continued development of the organic sector.

The Programme of the session is attached to this email.

We would be delighted to welcome you to this session. Please let us know (e-mail lena.wietheger@ifoam-eu.org) whether we can count on you and/or your colleagues to join us.

With best regards,

A handwritten signature in black ink that reads 'Christopher Stopes'.
