

ORGANIC FARMING SHOW

INDAGRA – ALIMENTA, ROMEXPO Exhibitions Centre

19 - 23 October 2011

The ASSOCIATION of Organic Agriculture Operators - "BIO-ROMANIA" representative for the organic movement in Romania, in partnership with Romexpo, organizes the **ORGANIC FARMING SHOW** within Indagra / Alimenta 2011 show. It will run from October 19 to 23, 2011, inside the **pavilion E1**.

Within the **ORGANIC FARMING SHOW**, will exhibit for the first time producers from abroad their organic products, the show becoming this way an international event. Also, a novelty will be the introduction of certified organic body care products (bio cosmetics) and producers of detergents, clothing, crafts and folk art craft, also certified organic.

Following negotiations with representatives of Romexpo, we got the price of 200 Euro for standard 4 sqm stand with standard facilities of a stand of 6 sqm:

- contour wall panels and modular structure;
- disposable carpet;
- fascia board on the free side, marked with company name;
- electrical connection;
- 1 table, 2 chairs, 1 waste bin, 4 spotlights, 1 socket.

The exhibitors of **ORGANIC FARMING SHOW** will have at their disposition a space for about 50-70 seats, for organizing work - shops and presentations of products, equipped with sound, screen and projector, for a fee of 25 Euro.

For the interested foreign companies, there is the possibility to send 1 package with samples of organic products and advertising materials (flyers, folders, leaflets) and the Bio Romania Association can provide representation services by hiring and training one person to represent your company with a stand during the **ORGANIC FARMING SHOW**.
