27 January 2004

Dear Mr. Sorensen,

Reference is made to your earlier communications with my colleagues in the Division of Environmental Policy Development and Law, requesting accreditation of International Federation of Organic Agriculture Movements (IFOAM) to the Governing Council of the United Nations Environment Programme (UNEP).

Rule 69 of the Rules of Procedure of the Governing Council provides that international non-governmental organizations having an interest in the field of the environment may designate representatives to sit as observers at public meetings of the Governing Council and its subsidiary organs, if any.

In keeping with this rule, and taking into account the documents provided by you, a decision has been made that International Federation of Organic Agriculture Movements will be accredited to the Governing Council of UNEP. Your name will be included in our list of non-governmental organizations that receive invitations to public meetings of the Governing Council as observers.

Yours sincerely,

Beverly A. Miller
Secretary, Governing Council
