Registration form for the IFOAM General Assembly in KOREA October 3-5, 2011

Dear IFOAM Member,

Bonn, June 10, 2011

Our next General Assembly (GA) is now only little more than three months ahead of us. As democratic federation of member organizations, the GA is the place where you can exercise your voting power and influence directly the strategic direction of your federation.

Please note that only people who have been properly authorized can represent IFOAM member organizations at this GA. In order to receive a voting card for the GA, the representative must present the authorization form below. This form must be signed by the legal representative of your organization and be presented at the GA registration desk in Korea in order for you to get the voting card.

Any person from your organization attending the GA can be authorized as a delegate. You can also name any other person, whom you trust to represent you by proxy vote. You may get proxy votes from other members yourself. Please note that according to the IFOAM statutes, there is a limit of a total of 5 proxy votes per person.

If you cannot send a representative yourself, please contact an IFOAM member organization (consult our Directory online [here](#)) and transfer your voting right by proxy.

We also want to remind you that you can only exercise your voting right if you have paid your membership fee for year 2011. Please provide a proof of fee payment at the registration desk.

We hope to welcome you in Namyangju City!

Organically yours,

Markus Arbenz
