

## PRESENTATION OF EU SUPPORTED RESEARCH PROJECTS

Wednesday, June 18<sup>th</sup>

14.30 – 18.00

**Location: Palazzo Carandini**

*EU supported organic and low-input agriculture research in the Sixth Framework Programme (FP6): scientific support to policies and quality products*

<i>Time</i>	<i>Title</i>	<i>Speaker</i>
14:30	Introduction to the session: organic farming research in FP6 and trends in FP7	M. Timothy HALL, acting Director E Biotechnologies, Agriculture, Food, DG Research, EU Commission, Brussels
14:50	A success story: joining Member States' efforts, the ERA-Net CORE-Organic	M. Morten Lautrup-Larsen, Deputy Director DFFE, Ministry for Food, Agriculture and Fisheries, DK
15:10	Measuring and implementing animal welfare, the role of organic farmers: the WELFARE QUALITY project	Prof. Harry Blockuis, Swedish University of Agricultural Sciences, SE
15:30	Revising the legislative framework to organic farming, a scientific support to EU policy; the EEC/2092/91 Revision project	Ms Lizzie M. Jespersen, DARCOF, University of Aarhus, DK
15:50	Implementing national and European Action Plans: the ORGAP project	M. Otto Schmid, Research Institute of Organic Agriculture, FiBL, CH
16:10	Bridging the gaps between new Member States in organic farming research: the CHANNEL project	Prof. Lázló. Radics, Corvinus University, HU
16:30	<i>Coffee break</i>	
17:00	Innovating in plant protection and reducing environmental impact: the REPCO project	M. Jürgen. Köhl, Plant Research International, NL
17:30	High quality produce from environmentally safe, sustainable methods: a contribution of organic farming to the ISAFRUIT project	Dr. Olle Callesen, DIAS, University of Aarhus, DK
17:40	Durable pest control strategies, a potential application to organic farming: the ENDURE network	Dr Paolo Barberi, Scuola Superiore Sant'Anna, Pisa (SSSUP), IT
18:00	Panel discussion with all speakers: EU funded research, a strong support to the development of organic farming in Europe.	Prof. Giulio Cozzi, Università di Padova, IT
