

Conference Organic Wild Production B&H May 2006 Program

version 2006-04-21

May 2

17:00-20:00 Conference registration
19:00-21:00 Conference reception & entertainment
Mayor of Teslic & IFOAM President

May 3

08:00-09:00 Late registrations
09:00-10:00 **Welcome and Opening**
 Director of AIRS, *Jovo Stojcic*
 IFOAM President, *Gerald A. Herrmann*
 Federal Ministry
 RS Ministry
 Council of Ministers

8:00 Moderators' briefing
8:30 Speakers' briefing

10:00-10:40 Coffee Break and Exhibition preview

10:40-12:30 **A Plenary session, moderator Klaus Duerbeck, Sippo**

10:40-11:00 Presentation of Organic Wild Production in Bosnia&Herzegovina, *Sulejman Redzic, University of Sarajevo*
 11:00-12:05 Presentation of ITC Report in Organic Wild Collection, *Uli Helberg, Helberg Consult & Mildred Steidle, Organic Services*

- Terminology
- Status Quo report on global collection of organic wild products (kind of products, volumes, areas of collection)
- Global market for organic wild products (use of the products, market segments, supply chains)

12:05-12:25 Policy framework for wild collection, CITES, CBD, IUCN red list, *Rik Kutsch Lojenga, Biotrade*

12:30-14:00 Lunch

12:30-13:00 Press Conference

14:00-15:30 **B Parallel sessions**

B1 Sustainable Use, moderator Rainer Bächli, IMO

14:00-14:15: Resource Assessment in Organic Wild collection, *Klaus Dürbeck, SIPPPO*
 14:15-14:30 Developing organic certification for more sustainable harvesting of wild medicinal plants; *Alan Hamilton/Jonathan Rudge, Plantlife International*
 14:30-14:45 Involving communities in monitoring and assessment, *Mathew John, Keystone Foundation*

14:45-15:00 Biodiversity monitoring of NTFPs in Tanzania, *Ade Towry-Coker, AgroEco Tanzania*

15:00-15:30, Questions and Discussion

B2 Standards, Classification and Definitions, Moderator Sven Walter, FAO

14:00-14:25 Regulations and Standards for organic wild production, *Mildred Steidle, Organic Services*
 14:25-14:45 Applying the Principles of Organic Agriculture to Wild Production, *Louise Lutikholt, IFOAM*
 14:45-15:05 From completely wild to strong human influence, where does "wild" stop and "cultivation" start?, *Eva Mattsson, Grolink, Rob Hardy Soil Association*

15:05-15:15 Proposed draft for baseline WC Standards, *Rob Hardy Soil Association*

15:15-15:30 Questions & Discussion

B3 Markets and economic sustainability, Moderator Alexander Kasterine, ITC

14:00-14:20 Who gets the money? Value Chain Analysis, *Geertje Otten, ProFound-Advisers in Development*
 14:20-15:05 Sharing the benefits; Case studies of projects and companies, -The new industry of natural ingredients, *Gustavo Urrea, Labfarve, Colombia*
 -Wild Collection in Ghana and Rural Income, *Georgina Koomson, Ideal Providence Farm Ghana*
 - Fair Trade in Peru, *Jennifer Chesworth, Herbalists Without Borders*

15:05-15:20 The cost of certifying sustainable wild collection: who pays?, *Andrew Jones, Fair Venture Consulting*

15:20-15:30 Questions & Discussions

15:30-16:00 Coffee break & exhibition

16:00-17:30 **C Plenary session, Moderator: Louise Lutikholt, IFOAM**

16:00-16:45 How do certification bodies work, *Wang Yungang, OFDC, Sampsa Heinonen, KTTK, Maida Hadziomerovic & Ana Sabljo, Organska Kontrola*
 16:45-17:00 Actualising trade - what does the market require, *Mike Brook, Organic Partners*

17:00-17:30 Questions & Discussion

17:30-19:00 Promotion of the organic sector in B&H

Poster session (scientific papers not included in the main program)

May 4

06:30-7:30 Morning botanical walk, guided tour in surroundings, *Dr Miro Jausovec, Hotel Kardial*

08:30-10:00 D Plenary session: Organic and other sustainability standards, moderator: Gunnar Rundgren, Grolink

08:30-08:50 Certification of non-wood forest products (NWFP): Relevant standards, preliminary experiences and lessons-learnt, *Sven Walter FAO*

08:50-09:05 The ISSC-MAP: A Standard for Sustainable Wild Collection of Medicinal and Aromatic Plants, *Danna Leaman, MPSTG/IUCN*

09:05-09:25 Streamlining organic and FSC NTFP certification, *Matthew Wenban-Smith, (OneWorldStandards, representing FSC)*

9:25-9:40 NTFP Certification in Canada, *Jean Arnold, Falls Brooks Center*

09:40-10:00 Questions, discussions on all four presentations

10:00-10:30 Coffee break, exhibition and posters

10:30-12:30 E Plenary session: Challenges in the sector, moderator: Franziska Staubli, SIPPO

10:30-10:45 Certifying Certification: Experience from India, *Pushap Jain, Nature & People*

10:45-11:00 Organic certification of wild harvested products: Lessons from collaborative natural forest management, *Dave Gibson, Chemonics*

11:00-11:15 Organic certification of wild collection: guarantee for sustainability?, *Pierre Hauselmann Biotrade*

11:15-11:30 Certifying natural products from southern africa: where existing systems fall short, *Anthea Stephens, IUCN*

11:30-11:55 Response from a certifier, *Rainer Bächli, IMO*, Response from IFOAM, *Gerald Herrmann*

11:55-12:30 Questions and Discussion (Panel)

12:30-14:00 Lunch

Press lunch

14:00-15:30 F Parallel sessions

14:00-15:30 F1 Collection or cultivation, moderator Tihomir Predic

14:00-14:15 Cultivated and wild products as raw materials for processing, *Sebastian Pole, PukkaHerbs*

14:15-14:30 Medicinal Plant Cultivation - Scope, Scale and Diversity *Teresa Mulliken, TRAFFIC International*

14:30-14:45 Enrichment Planting in Common lands: Prospects and Problems, *Ajay Rastogi, FAO India*

14:45-15:05 Domestication or collection of medicinal plants: What do markets, people and species require?, *Uwe Schippmann BfN*

15:05-15:30 Panel & discussion: The pros and cons of collection vs. cultivation, *Pole, Mulliken, Rastogi, Tewari, Schippmann, Arnold*

F2 Scientific papers, moderator Voja Trkulja

Integration of social standards in organic wild production, *Alexander Koch*
Is the commercial demand and harvesting from wild leading to the depletion of medicinal plants? *Harish Tewari*

Natural potentials of medicinal and edible plants in forests of central Bosnia, *Ljubojević Srdjan*

Characteristics of BH organic market and its reflection to organic wild plants' products marketing *Nikolić Aleksandra*

Significance of subsidiary forest products in foreign trade of Serbia and foreign trade of Bosnia and Herzegovina, *Zorica Vasiljević Kitul (Caryota urens) a multipurpose palm in Sri Lanka, Seneviratne M.A.P.K*

F 3 Organise Yourself for Market and Certification, Moderator Milos Nozinic

14:00-14:25 Organising collection in traceable systems & GMP standards, *Franziska Staubli, Sippo*

14:25-14:40 Fulfilling the demands of the buyer, *Peter Kollath, Tradin Organic Agriculture B.V.*

14:40-14:55 How to organise yourself for certification, *Elvedin Colakovic, CEFA/CESAB*

14:55-15:10 Setting up the Internal Control, *Michaela Coli, ICEA*

15:10-15:30 Questions and discussions

15:30-16:00 Coffee break, exhibition and posters

16:00-17:30 G Plenary Session, Moderator Gerald Herrmann

16:00-17:00 Reports from parallel sessions, *rapporteurs 5*10 minutes*

17:00-17:15 Outlook: *Gunnar Rundgren, Grolink*

17:15-17:30 Closing, & Farewell, *Gerald A. Herrmann, IFOAM*

19:00-22:00 Conference Dinner
