We will enjoy our Gala Dinner on the 16th of November at the Agricoltura Nuova. The buses that will take us to this beautiful organic farm outside of Rome will leave at 19:15.

The meeting point will be outside of the University Roma 3, at 19:00. Be sure to have your dinner ticket ready (check your ticket to see the number of your bus).

At the restaurant we will be treated to a fine 6 course Italian meal, all organic of course, with music played by our band for the evening: DOS QUIS.

This is a map show you the location of our conference dinner. It is not that far but because you never know about the traffic in Rome, we have said that the travel to our destination will take about 40 minutes.
