

IFOAM Group Membership

Do you like to *register your branches, daughter companies or country offices as IFOAM affiliates* ? IFOAM has installed a special opportunity for you.

The conditions are:

1. The mother organization/company pays the normal fee according to the membership fee scheme (see below).
2. Each branch pays just a flat fee of € 120 per year, organic turnover does not matter.
3. Branches do not have to pay the registration fee.
4. Branches have to complete the membership questionnaire: if membership requirements are fulfilled, voting rights will be granted.
5. Branches are listed in the IFOAM Directory as a separate entry in the country of location and receive the complete package of membership services.
